ENCLOSURE.

Copy of letter No.S-1-552/42, dated 11-4-42, from the Collector of South Kanara.

I invite your attention to resolution No.2, passed by the District (Labour) Advisory Committee of this district at its meeting held on 9-2-42. Many of the labour school children find it difficult to attend school during the monsoons owing to want of umbrellas and the severity of the rains of this district. It is expected that better attendance could be secured if the school children are supplied with palm-leaf umbrellas which are locally manufactured. Each umbrella costs about 2 annas. There are about 2000 children attending labour schools in this district and the expenditure on the supply of palm-leaf umbrellas will be about Rs.250/- per year. I request you to consider the desirability of providing the children with palm-leaf umbrellas during the monsoon and to see whether the amount required for it can be sanctioned.
